CONDITIONS

1. That the Licensee assumes the responsibility and all liability for any injury or damage to said highway, or to any person while using said highway, caused by or arising out of the exercise of this permit or license.

2. That all work done shall be at the sole cost and expense of the Licensee and shall be done at such time and in such a manner as to be least inconvenient to the traveling public, and as directed by the agent of the Licensor. Work must be finished in the time specified on permit.

3. That when the proposed work is completed the Licensee shall repair the roadbed and replace the surfacing material thereon, and will leave the said road in as good a condition as it is now, so far as the road is affected by the Licensee.

4. If the subject of the permit or license fails to pass final inspection, the Licensee will remove or replace the same within such time as specified by written notice from the Licensor, or if at any time hereafter, any material used by the Licensee in replacing or reconstructing any part of said highway proves defective, the Licensee will replace the same with the kind and quality of material which the Licensor shall specify.

5. That if the title and possession of any property placed upon the right-of-way by the Licensee remains in said Licensee, the Licensee shall and will promptly perform all necessary repair work upon written notice from the Licensor, and will not permit or allow any condition to exist which would be a hazard or source of danger to the traveling public.

6. That if at any time hereafter, the right-of-way, or any portion thereof occupied and used by the Licensee, may be needed or required by the Licensor, any permit or license granted in pursuance of this permit may be revoked by the Licensor and all right there under terminated and upon sufficient notice, the Licensee shall and will remove all property belonging to said Licensee.

7. That in the event that the work to be done under the authority of the permit or license necessitates the creation of any hazard or source of danger to any person or vehicle using said highway, said Licensee shall and will provide and maintain at all times during the existence of said hazard sufficient barriers, hanger signals, lanterns, detours, and shall and will take such other measures of precaution as the Licensor shall direct.

8. That if the work to be undertaken is of such a nature or character that the Licensor deems it necessary that said work be laid out or inspected by the Licensor, said Licensee will defray any and all expenses incurred by said Licensor and herein agrees to reimburse the Licensor and for that purpose will deposit with the Licensor a sum of money in the amount necessary to cover all cost incurred by the Licensor.

9. That In the event any property belonging to or the area occupied by such property being used by the Licensee within any portion of the right-of-way interferes with or is needed to construct, maintain, reconstruct, improve, or relocate any highway, street, road, drainage, or sewer lines or structures pertaining thereto, by or for the Licensor, said Licensee shall at their own expense relocate, remove, lower, or raise such property, within a reasonable time, when requested to do so by the Licensor in writing.

10. All conditions of this permit shall be in conformity with the latest Maricopa County Resolution for Permits to Work in Dedicated Right-of-Way, including but not limited to the following:

    a. Cash or a performance bond of a sum equal to not less than one-half of the amount of the cost of the work must be deposited with the County Engineers office as a guarantee that the work will be completed in accordance with the permit and the County's details and specifications.

    b. A certificate of insurance shall be filed with the office of the County Engineer covering Public Liability and Property Damage with the following minimum limits:

        $500,000 - Bodily Injury, per person, per occurrence
        $1,000,000- Bodily Injury, more than one person, per occurrence
        $500,000 - Property Damage, per occurrence

        It is the sole responsibility of the Licensee to maintain coverage in force for the term of the permit and to name the County as an additional Insured. Said coverage shall be primary and failure to conform to the above requirements shall not waive any responsibility of the Licensee.

        Fifteen day written notice of change or cancellation of the policy shall be served on the County Engineer.

    c. A copy of the schedule of fees is on file in the Maricopa County Department of Transportation and the Office of the Board of Supervisors.
