- On the AOC application ONLY, an Engineer can be the Project Owner.* →

Application Check List for Approval of Construction

- Cover Page for MCESD Projects (*This page*)
- Approval of Construction application (*Attached*)
- Full Set of Sealed and Signed Water/Sewer As-Built Plans**
(Sealed and signed by a Registered Land Surveyor **or** a Registered Engineer)
Full set must be available upon request in accordance with R18-4-507.2, R18-4-508 Record Drawings and Part E Type 4 General Permit R18-9-E301.E.
- Test Results OR A Letter From The City Stating The Type Of Tests That Were Run And That They Passed**
 - **Potable water systems** - test results including, but not limited to pressure and bacteriological test data.
 - **Sewage collection systems** - test results including, but not limited to deflection, leakage and uniform slope test data.
 - **Reclaimed water distribution systems** - test results including, but not limited to pressure test data.
- Operation and Maintenance Manual Verification for Private Sewer and/or Private Lift Station (*Attached*)**
 - ◆ **Only for private sewer systems and/or private lift stations**

-
- ***The Approval of Construction (AOC) application will be signed by the MCESD Program Manager or designee and will become your AOC certificate.***
 - ***Contact Person will be notified when signed unless otherwise noted.***

Any questions contact Cindy Furze at 602-506-1058 or CFurze@mail.maricopa.gov

*** The Department reserves the right to request any other information ***

Visit our web page at www.maricopa.gov/EnvSvc/WaterWaste/Subdivisions/Subdivisions.aspx

- Approval OF Constructions (AOCs) are applied for after the component is built and testing has been completed and passed.
- MCESD issues AOCs only for MCESD issued Approvals To Construct (ATC).
- **One (1) MCESD number per AOC application. Do not put multiple numbers on one application. ATCs are issued with one MCESD number and AOCs are issued the same way.**
- For the Engineer's Certificate of Completion area on the application, the only items required are registered engineer's name, phone & e-mail and the wet seal and signature. Nothing else is to be added.
- The engineer sealing/signing must be comfortable with the information provided on the as-built plans.
- Please make sure that the application is completed legibly. MCESD signs the bottom of the application when issued, which turns it into the issued certificate.
- Private Sewer Systems and Private Lift Stations need to have Operations and Maintenance Manuals. Provide engineer verification of completed requirements on last page of AOC application.

AOC Application Instructions

PWS# - "Public Water Supply" number – last three digits needed. Needs to be the assigned number that is providing potable water, must be the same on the ATC and the AOC.

MCESD# - located on the plans that were signed by MCESD and can be found on the Approval to Construct Certificate.
(One MCESD number per application)

Type of Component – write in the type of component the AOC application is for, **water, sewer, etc.**

DWR# - last six digits needed. FOR WELLS ONLY. Must have source approval before applying for AOC.

Project Name – as denoted on the Approval to Construct Certificate. Should be the same as on the plans.

Project Address – physical location of project.

Project Description – the description should be the same as the description on the Approval to Construct (ATC) Certificate, this will be different for each component.

Project Owner – must be a person with fiduciary responsibilities associated with the Project.(Print Name) *

Job Title – examples: Owner, President or Vice President of Corporation/Home Owner Association, Manager.

Project Company Name – the name of Company who owns the Project.

Mailing Address, City, State, Zip Code – location of project owner, original will be mailed to this address, unless otherwise noted.

Signature of Project Owner – No one other than named project owner can sign the application unless there is a letter of authorization attached.

Engineer's Certificate of Completion – must be filled out, sealed and signed by a registered Engineer only, do NOT alter the application in any way.

O & M Verification Page For Private Sewer Systems – Regarding Operations and Maintenance Manual verification. **MUST** be completed if the AOC is for a private sewer and/or private lift station.

Any questions contact Cindy Furze at 602-506-1058 or Cfurze@mail.maricopa.gov

*** The Department reserves the right to request any other information ***
